An **Unbe-LEAF-able** Tale

_____ and I were raking leaves in my backyard. My mom had promised
(friend's name)
us _____ when we were done! We got right to work, but something was odd...
(favorite treat)
The leaves were not red and orange, they were _____ and _____.
(unusual color) (unusual color)

As we raked the leaves, they began to _____. At the sight of this, _____
(an action) (friend's name)
shouted, " _____ !"
(silly word)

The leaves responded by forming into a giant _____. We began to _____
(animal) (an action)
around the yard. The leaves chased after us.

Suddenly, the leaves stopped and formed a giant pile. We ran full speed and leapt into the air!
And, with a _____ we dove into the pile.
(noise)

When we finally emerged, the leaves were no longer unusual colors. They turned back into
_____ and _____. Mom stood there just looking at us covered in
(usual color) (usual color)
leaves and _____. It was clear she had not seen what just happened. She said,
(an action)
"You two are silly!", then handed us _____ and went back inside.
(favorite treat)
